## Description

The Defiance 30 is a well proven cruising yacht design from the famous design house of Sparkman & Stevens. This example of the design has successfully cruised the east coast from Cairns to Bass Straight and can best be described as a full spec pocket coastal cruiser, equiped and quite ready to go and do it all again!

The yacht has recently undergone a major refit including: topsides re-painted, cockpit seats refirbished in White Beach, new upholstery below, new dodger, and an engine/saildrive overhaul. Her standing rigging was replaced in 2008, and her running rigging in 2013.

She is a great family boat safely and easily handled by a couple, and of recent times a young man from their next generation! Here is your pathway, at an affordable price into a coastal cruising lifestyle, in a highly capable, seakindly yacht.
