Description

UNDER CONTRACT AFTER ONE DAY !!!! TALK TO THE SOUTH AUSTRALIAN YACHT AND POWER BOAT EXPERTS IF YOU ARE SERIOUS ABOUT SELLING!!!!

Undisputably, Cruisers yachts would be one of the finest builders of Express Cruisers in the USA if not the world.

The Devil created Bayliner to prove there is a boaters Hell! God created Cruisers Yachts to prove heaven on the water!

This 2002 example delivered new to Australia was re-engined in 2012, with low hours since.

This lovely boat has just been taken back to bare hull (below water line) and anti-fouled, all skin fittings resealed, engines serviced, manifolds inspected, new shafts, new propellers and new PPS seals. The hull has been polished and sealed.

In total there should be no foreseeable expenditure for some time.

The 3672 is over 40 feet in length and offers huge volume for family boating.

Upon entering the cockpit of the 3672 from the huge marlin board, the generous u-shaped lounge and table, assisted by the adjoining wet bar and fridge offer a natural resort feel as if from a larger vessel.

Access to the main cabin is along the port side, the spaciousness and volume readily apparent with a fridge and galley to port, main settee to starboard and two separate cabins for privacy and relaxation when aboard.

Subtle quality offerings such as the cherry wood finish with ultra leather surface on the sofa -settee, cupboards lined with cedar, enforce the feel of a boat built to last.

A very large enclosed toilet and shower (with seating) allows for relaxed rinsing after a refreshing swim.

Other luxuries such as a generator, air conditioning, dvd/tv, sound system, foredeck sun lounge and large hatches and port holes (to enjoy the sea breeze).

Extensive electronics, bowthruster, walk through windscreen, electric windlass, along with shaft drive complete an extensive and total boating package.

Be quick, this vessel offers exceptional value for a turn key buyer wishing to spend no more and enjoy!
