44A The Promenade Sanctuary Cove QLD 4212

Description

This 2010 model, two cabin, two-head, Dufour 405 Grand Large is a stunning yacht of undeniable quality. The Dufour 405 Grand Large was judged European Yacht of the Year in 2010. Her sailing qualities are quite outstanding; she's fast and stable. Twin wheels ensure ideal visibility and allow convenient cockpit access. A Boom bag with lazy jacks for the mainsail plus a furling headsail make for easy short-handed sailing. Laid teak and iroko decks add a traditional and practical touch.

Fully optioned for comfortable cruising and ease of handling by her discerning owner, she exudes French style and elegance throughout. She comes complete with all the wanted extras to enhance your sailing experience, Spray dodger, Link sheet and Bimini for all weather protection, electric sheet and halyard winches to make sail handling so easy, a retractable bow thruster to make mooring in the tightest marina so easy, an upgraded 55hp Volvo Penta diesel engine with sail drive and just 300 hours run, to get you home in any conditions plus an electric anchor winch: it's all there in this beautifully presented one owner yacht.

Her gourmet galley features a very large fridge, gas stove and oven plus a microwave oven. Twin sinks and plenty of storage will appeal. A matched set of Dufour crockery and cutlery add a nice touch. Her enormous forward owner's stateroom features a large island double bed and plenty of space, light and storage capacity with an adjacent toilet and shower. The port side double berth aft cabin also has its own adjacent toilet and shower. A huge storage area aft to starboard is accessible from the cabin or the cockpit.

The spacious and well proportioned main saloon is perfect for entertaining your family and friends in stylish ambience. Pristine white upholstery contrasts with rich mahogany timbers finished to a satin sheen on bulkheads, doors, table and trim. The cleverly designed starboard table with twin seats can convert to a settee if an extra berth is required while beneath the cabin floor lies a hidden wine cellar. Electronics include autopilot, GPS with plotter, log, speedo, depth sounder and wind instruments. A VHF radio, switch panel and stereo system are concealed under a panel in the main cabin along with iPhone charger and signal booster.

There is so much you will love about this magnificent yacht!
