---

Advanced "Prisma Process" injection laminated deck.

- reduced weight in deck offers greater stability when sailing, therefore the keel does not need to be as heavy to achieve high stability.

CE rating - Category A for Unlimited Ocean.

Provides piece of mind that the Sun Odyssey 349 can handle seas when conditions deteriorate.

Twin rudder design

- Exceptional control at every sailing angle, increased safety and redundancy at sea and reduces vulnerability when in shallow areas.

- access those shallower areas that are not usually reachable, whilst gaining draft with the wing keel ensuring excellent performance & lift.

Interior features:

Modern hull and Positive Sheer®

- exceptional interior comfort usually found on a larger boat and standing headroom throughout, while maintaining elegant lines.

Design that marries the classic look of Alpi teak with the contemporary look of slate work tops

- the interior is warm, light and inviting with timeless styling.

Standard large hull ports and long coachroof windows

- bright natural lighting and views of the sea.

Wide, double doors to the forward cabin

- afford privacy when closed and contribute to the airy interior atmosphere when open.

2 cabin version with innovative head compartment and sail locker

- fully-separate shower along with a storage compartment that accessible from the interior and from the cockpit. It can also be closed with an optional, enclosed cockpit locker and can even be fitted out with an extra single berth.

Modular interior with multi-function, mobile seating and fold-up nav station

- create the best space for any particular activity onboard from dining to relaxing, from looking at charts to sleeping.
