44A The Promenade Sanctuary Cove QLD 4212

Description

With long lines and an open design, the sporty silhouette of the Leader 40 conceals large living areas dedicated to sun and sea.

Offering greater protection from the elements, the Sportop version is brightly lit by a large, electrically controlled opening sunroof.

Numerous cleverly arranged storage compartments facilitate life aboard and the enjoyment of activities on the water.

Perfectly suited for swimming while at anchor, the aft swim platform is also offered in a hydraulic version for launching the tender.

Designed for performance, the hull of the Leader 40 affords the exceptional comfort that has built the reputation of the Jeanneau brand.

Two well-appointed cabins and a convertible saloon contribute to the pleasures of life aboard, whether on a day trip or a short cruise.

Particularly comfortable and inviting, the forward owner's cabin features a direct access to the heads. With three berths and a dressing table, the central cabin inspires comfort and privacy.

Due to its location near the entry, the galley is well ventilated. With an L-shaped layout and numerous storage compartments (with high and low cabinets), it features an ergonomic design and great storage capacity.

Chic and comfortable, the saloon is a bright, generously sized central living area that opens onto the exterior.

Advertised price includes 2 x Mercruiser 350hp petrol engines, Premier trim level, antifouling, registration, anchoring kit, safety equipment, factory discount, GST, duty and local delivery within Melbourne, Sydney, Perth or Brisbane.

Other factory or locally fitted options available including but not limited to engine upgrade, electronics, and mooring equipment. Please consult the Jeanneau agent in your capital city for the complete options price list.

For more information, feel free to [view the Leader brochure](#) or [download the Leader specification sheet](#).
