44A The Promenade Sanctuary Cove QLD 4212

Description

The Leader 46 continues the expansion of this successful Leader line.

The new Leader 46 revisits the same key points that have made the current line an international success - a high-performance hull, generous exterior spaces and innovative interiors.

The new Leader 46 carries the same DNA of the line, making a statement with a sporty hull designed by J&J Design. The design owes her sleek profile to the talents of Garroni Design.

Available with IPS propulsion or stern drive, the new Leader 46 offers superior quality performance and seakeeping abilities.

To satisfy the customer who enjoys day trips and family cruising, the exterior layout of the new Leader 46 does a subtly and effectively separates the different living spaces on board.

Firstly, the spacious sport top is laid out on a single level and features a large, U-shaped saloon to port side, a copilot bench

seat closed to the helm that converts into a sheltered sundeck, as well as a very attractive cockpit galley. The opening roof on the sport top slides widely, instantly transforming the Leader 46 into a large open model.

The helm benefits from a sought-after design that is enhanced by perfect ergonomics and a superb black finish, and to the fore, the comfortable sundeck invites relaxation, complete with a mattress with adjustable backrests.

To the aft, a vast sundeck faces to an immense swim platform (hydraulic control optional), which becomes an outdoor living space while at anchor. An integrated galley and tender garage make this an exceptional model.

Particularly destined for cruising, an optional aft sliding glass panel allows for closing or fully opening the sport top toward the aft.

Luxuriously zen, the interior design of the Leader 46 will seduce you with her contemporary spirit that has been carefully studied down to the smallest details (wide windows in the hull, new design for furnishings, indirect lighting, new materials...).

Innovative and unexpected, a true owner's suite is a pleasant surprise, with her superb central cabin (centreline berth) and a king-size, modular head and shower compartment.

The guest cabin and private head and shower compartment offer the same luxurious details and overall comfort (berths may be separated, copious storage).

The comfortable saloon with sea views faces a first-rate galley that is particularly serviceable.
