44A The Promenade Sanctuary Cove QLD 4212

Description

The NC line benefits from a strong identity. The NC33 is entirely inscribed within the philosophy of these inboard models, cleverly combining the strengths for which the NC is renowned with the latest technological advances of the brand.

The new NC notably features an excellent hull design by Michael Peters.

With no steps, the interior layout meets the demands of the NC concept. Life on board is easy and enjoyable.

Designed for life on the sea, the NC 33 is very open to the exterior. Everything has been carefully considered for comfortable, harmonious cruising. Entirely secure, this new NC features wide, recessed sidedecks. The side door to the helm station facilitates movement about the boat and handling at sea.

The side access gate, a new feature for this line, is an undeniable advantage that improves access on board.

Advertised price includes Premier trim level, antifouling, registration, anchoring kit, safety equipment, factory discount, GST, duty and local delivery within Melbourne, Sydney, Perth or Brisbane.

Other factory or locally fitted options available including but not limited to electronics, and mooring equipment. Please consult the Jeanneau agent in your capital city for the complete options price list.

For more information, feel free to [view the NC brochure](#) or [download the NC specification sheet](#).
