Description

The Sun Fast 3200 is an exceptional racing yacht. European yacht of the year in 2008, and one of the best twilight, club and offshore cruiser racing yacht that is optimised for short-handed racing.

This stiff and stable yacht punches way above its weight and has been a trophy winner in club, short-handed and offshore racing including under IRC.

Comfortable cockpit and an interior with two enormous aft double cabins and more than adequate saloon and head arrangement for time away.

Twin rudders and tillers make this yacht incredibly balanced under all conditions.

In fact this yacht is renowned for handling the very worst weather as they have done when 20 have raced across the Atlantic and the Transquadra race. [DETAILS ON NEW R2 VERSION](#)
