44A The Promenade Sanctuary Cove QLD 4212

Description

Designed by Daniel Andrieu, the Sun Fast 3600 benefits from the latest advances in vacuum-bagged resin infusion to ensure exceptional strength and rigidity while drastically reducing weight.

The lightweight, powerful hull with its hard chine, twin rudders and lead keel contributes to this new Sun Fast's speed, balance and stability on all tacks. Perfectly adapted to solo, doublehanded, and crewed regattas, the Sun Fast 3600 is designed to compete in both inshore and offshore races.

Available with twin, composite tillers or wheel steering and choices in mainsheet management, the deck layout ensures easy handling through well thought-out ergonomics and optimised sailing functions.

Features include:

- * Aggressively chined hull that will significantly enhance performance and stability.
- * Semi-square top efficiently shaped mainsail that will provide extra boost in lighter airs and a deliverable powertrain when the breeze is up.
- * Twin tiller steering system with the option for twin wheels for direct precise steering and optimum helmsman comfort and position.
- * Main sheet traveller in front of helm position which is easier for helm when solo and main trimmer when fully crewed.
- * Outboard swept back shroud base gives excellent rig stability and optimum jib shape profiles.
- * Fixed prodler on bow allows optimum use of Code type sails and asymmetrics, whilst still allowing use of symmetric sails if required.
- * High volume interior maintains and improves the unbeatable 3200 layout with two large double berths aft, sculptured navigation station, galley, additional berths in the saloon, sail stowage and heads forward.

Contact us for a quotation including any factory or locally fitted options.

Note: The price offered is for a 'base boat' only, which includes the standard inventory as per Jeanneau specifications, duty, GST, shipping to a major Australian port, freight insurance, local transport, antifoul and commissioning. Prices may be subject to currency fluctuations and factory discounts and may change without notice.
