## Description

With the integrated radar arch replacing the mast on the flybridge, the charm of the new Velasco 43 F lies in her softer lines and forward-sloped windscreen, a defining new look.

Shaft drive and double thrusters makes this new model an ease to control and enjoy.

Large glass panels give panoramic views, and, flush with the saloon, the U-shaped portside galley has a large countertop and copious storage options, including a larger storage locker for provisions.

The spacious saloon features a modular table in order to receive guests comfortably.

Advertised price includes Premier trim level, antifouling, registration, anchoring kit, safety equipment, factory discount, GST, duty and local delivery within Melbourne, Sydney, Perth or Brisbane.

Other factory or locally fitted options available including but not limited to electronics, and mooring equipment. Please consult the Jeanneau agent in your capital city for the complete options price list.
